

The American Gold Star Mothers National Monument Fund and Interstate Batteries are Teaming Together

Please join us in this special fund raising program and help make the monument a reality!

The American Gold Star Mothers National Monument Fund is participating in the Interstate Batteries Online Fundraising Program, and we would appreciate your help.....

Instead of buying batteries for your home or business at the local mega-mart, simply buy them online from Interstate Batteries, and the GSM National Monument Fund will receive 30% of the total sales! The Interstate Batteries products are ordered online by family, friends, and anyone else across the country who wants to support the American Gold Star Mothers.

Customers select everything they need, and Interstate promptly ships the order directly to their doorstep!

This fundraising effort offers every battery you could need for your home or business: alkaline batteries for toys, flashlights, remotes, hearing aids, watches, and more (see reverse side). Every one buys batteries throughout the year.....we're simply asking you to make your purchases through the Interstate website instead of a store. That way, the proceeds benefit the Gold Star Mothers National Monument Fund.

HERE'S HOW IT WORKS

Go Online --- www.interstatebatteries.com

Follow these easy steps:

- ✓ Find and select all the batteries you need for your home or business
- ✓ Enter your payment and shipping information
- ✓ Enter the Coupon Code **GSM** in the box to ensure the sale is properly credited to the GSM

Everyone Benefits

You get a premium quality product at competitive prices delivered straight to your door while providing critical resources for the Gold Star Mothers National Monument Fund which honors Mothers whose sons and daughters gave their life in service to our country, promotes the bond of kinship, and provides support for our service men and women and the Veteran community at large.

Thank you for your support!
